

THE PRK SYSTEM

CONCRETE. STONE. MASONRY. **UNSTOPPABLE**

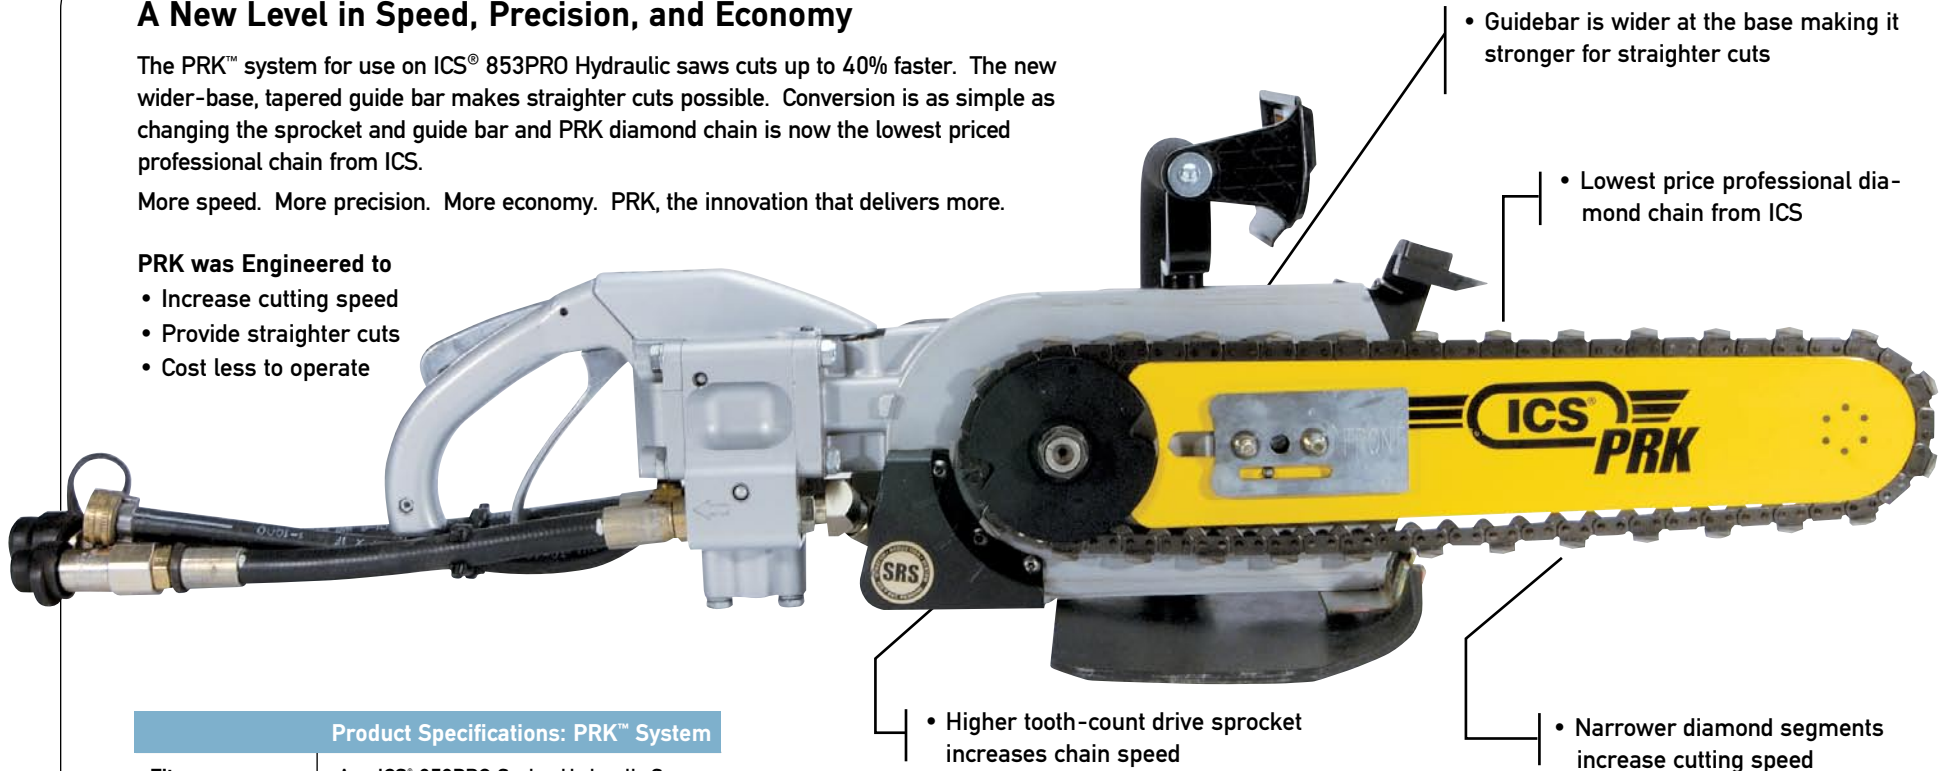

A New Level in Speed, Precision, and Economy

The PRK™ system for use on ICS® 853PRO Hydraulic saws cuts up to 40% faster. The new wider-base, tapered guide bar makes straighter cuts possible. Conversion is as simple as changing the sprocket and guide bar and PRK diamond chain is now the lowest priced professional chain from ICS.

More speed. More precision. More economy. PRK, the innovation that delivers more.

PRK was Engineered to

- Increase cutting speed
- Provide straighter cuts
- Cost less to operate
